

## What's Wrong with this Picture

Thorough preflight planning is a 'golden ring' to accident prevention. Learn how to ensure that you have taken every step necessary to complete your VFR or IFR flight safely. Our experts will take you step-by-step through the process. Don't miss this critical safety briefing. Click on the link below and register TODAY.

**Directions:** I-89 to Exit 12 (Rte 2a). Turn left on Williston Rd, then right turn on Valley Rd. At the end of Valley Rd turn left and proceed to the Vermont Flight Academy building.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
